Notes: Four credits of Equitation are required for the degree, Equitation classes are offered every term and more Equitation courses can be taken and used as elective credits. Equestrian Team members must take an Equitation class every term.

Some sections of First Year Seminar may also count for other requirements.

*Satisfies General Education Requirements-NOTE SM117/118 (which is a program requirement) MAY be used to fulfill the scientific literacy requirement as well. If a student wishes to take a different scientific literacy course they may do so but should realize that those credits (3-4) may need to be in addition to the 120 credits of the specialization.

**Recommended that students take a course related to one of the following Minors or Certifications:

Certificate in Equine Reproductive Management (additional courses listed above in italics)

Certificate in Management and Supervision OR Minors according to student's interests also available
