Arrival Information

CHECKING-IN: Check-in begins at 9:00a.m. on Saturday, August 26th and continues until 2:00p.m. When you arrive on campus, you should check-in at your assigned residence hall. You will find the name of your building on the right panel of your myCaz page (<http://newstudent.cazenovia.edu>), along with your roommate information.

IMPORTANT NOTES FOR CHECK-IN: Please remember to bring your Cazenovia College ID with you. You will need it for meals and to access your residence hall. If you did not attend a Summer Orientation Session to obtain an ID, you will need to have one issued through Campus Services when you arrive.

Also, your immunization records and health forms must be on file with the Health Office in order for you to begin check-in at your residence hall. If you have questions regarding your immunization records and health forms, the Health Office can be reached at (315) 655-7122.

MOVING INTO YOUR RESIDENCE HALL ROOM: The residence halls are not available for occupancy until 9:00a.m. on Saturday, August 26th, unless you are required to be here for an athletic team (*if so, you will receive information from your coach*). Orientation Staff will be available on Saturday from 9:00am-2:00pm to assist you with campus directions and moving-in tasks. Look for individuals in special Residence Life and Orientation shirts. They are there to help!

DIRECTIONS: You will find directions to campus, to the residence halls and to parking on campus at <http://www.cazenovia.edu/admissions/visit-cazenovia/directions-and-transportation>.

ORIENTATION: A detailed Orientation Schedule can be found on-line. You will also receive a hard copy of the schedule when you check-in. The Orientation Program for your family concludes with the President's Welcome which ends at 4:00 p.m. Orientation is designed to make the transition to Cazenovia as seamless as possible. Over 110 upper-class students comprise the Orientation Staff. Their goal is to create a phenomenal experience that introduces you to Cazenovia, helps you develop new relationships and gets you settled into your new home.
