

TRANSFER PATHWAYS AGREEMENT

BETWEEN

MONROE COMMUNITY COLLEGE

AND

CAZENOVIA COLLEGE

NOVEMBER 2013

This agreement establishes a pathway to transfer between Monroe Community College and Cazenovia College. Monroe Community College students are, upon completion of a directed sequence of coursework leading to an associate degree from Monroe Community College, guaranteed admission to Cazenovia College at junior status. A full-time student can complete the specific Cazenovia College degree in two years, as long as the required course work is followed with the minimum passing grades.

OBJECTIVES

1. To provide a pathway for qualified Monroe Community College students to pursue a bachelor's degree at Cazenovia College while maintaining the integrity of MCC's academic programs and the State University of New York's completion initiative.
2. To recognize the academic preparation and achievements of MCC, applying eligible course credit to the student's program of study at Cazenovia College.
3. To provide the student clear and realistic recommendations in regards to course selection.

TERMS

1. Students must have a minimum of a 2.5 cumulative grade point average for acceptance to Cazenovia College. Students below the 2.5 minimum average may be considered for conditional acceptance.
2. Students must have earned or be on target to earn an associate degree from MCC in the specified partnered program. Students will provide an official final MCC transcript indicating completion of the degree.
3. Coursework with a grade of "C" or higher will transfer.
4. Students who complete a specified associate-to-bachelor degree partnership, and who have followed the recommended guidelines as stated in the course selection advising guide, will enter Cazenovia College at junior status.
5. Traditionally, transfer students who complete an associate degree will have completed many of the 100/200-level general education requirements upon enrolling at Cazenovia College. Coursework at the 300/400 level will be completed at Cazenovia College although certain exceptions apply.
6. It is strongly recommended that students complete a second English Writing course prior to transferring to Cazenovia College. If a second course has not been completed (grade of "C" or higher), the student will be required to complete EN201: Academic Writing II during their first semester at Cazenovia College.

STUDENT ACADEMIC ADVISEMENT

Monroe Community College staff and faculty in cooperation with Cazenovia College assume responsibility for advising students who enter into the agreement. Academic curriculum advising guides will be used to communicate degree requirements to students, including recommendations for course selection. While advising guides will be reviewed once per year for necessary revisions, any changes to coursework or academic curriculum will warrant an immediate revision.

Monroe Community College's Associate Director of the Career and Transfer Center and Cazenovia College's Associate Director of Transfer Admissions will be designated as contact persons and coordinators of the agreement.
