### Dining Dollars

All meal plans offered at Cazenovia College come with a designated amount of Dining Dollars (see amounts in meal plan descriptions above). Accessed through your CazCard, Dining Dollars can be used for food purchases in the College Dining Hall, Late Nite Operations (in the Sayford Cyber Cafe and Dining Hall), as well as the Les Pâtes et Les Nouilles restaurant on Albany Street. Dining Dollars may not be used to purchase alcohol.

### CazCash

Cazenovia College is one of many colleges and universities in the United States that have transformed their campus ID cards (CazCard) into debit cards for use on and off campus at select merchant/vendor locations. Students and employees may choose to use their CazCards as a debit card in the Dining Hall, the Sayford Cyber Cafe, College bookstore, Les Pâtes et Les Nouilles, and at participating local merchants instead of using cash. In order to use your CazCard as a debit card, you must have a signed contract activating the account and have added money (CazCash) to the account. CazCash may not be used to purchase alcohol and/or tobacco products, per your signed contractual agreement. To add CazCash, visit www.cazenovia.edu/cazcash.
