Orientation begins Friday, August 19 with Move-In and runs through the start of classes on Tuesday, August 23. Your days will be filled with opportunities to meet new people, learn about life at Cazenovia College and explore all that the College has to offer. The Orientation Program is designed to make the transition to Cazenovia as seamless as possible. Over 150 upper-class students comprise the Orientation Staff. Their goal is to create a phenomenal experience that introduces you to Cazenovia, helps you develop new relationships and gets you settled into your new home.
