

Health Documentation Requirements:

New Students are required to complete and submit the records indicated below ***prior to their arrival on campus.*** (*Students will not be able to move into the residences or begin classes without these items on file with our Health Center*)

- A physical completed within the past year, and submitted on our [Cazenovia College form](#), to ensure we have the necessary history and current medical information. You were also sent this form by the Admissions Office by both standard and electronic mail.
- Your completed [Immunization record](#). Please note that 2 MMRs are required to attend college in New York State.
- A [Meningitis Waiver Form](#). Completion of this form is required by New York State, whether the choice is made to receive the vaccine or not.
- **A copy of your insurance card** if you are not using the College's insurance plan.

To support the health and safety of our entire campus community, all of the forms above must be submitted to the Health Center by July 30, 2020 if you are a participant in the Jump Start program, and August 3, 2020 if you are a new student planning to arrive August 14 or 15, 2020.

Returning Students are expected to provide any health care, medications, allergies, etc. updates to the Health Center ***prior to your arrival between August 16 and 18, 2020.***

Athletes are expected to provide all documentation regarding physicals, immunizations, and clearance to play to the Health Center. Again, ***you will not be permitted to check in or begin practicing*** until documentation is in place. Please review requirements on the Athletics webpage or contact Pete Way at pmway@cazenovia.edu if you have questions.

Please note: *Our request that all of the forms be submitted to the Health Center prior to your arrival on campus is not something with which we can be flexible, as it is an important component of our comprehensive health and safety protocols. Please make your arrangements with your home healthcare providers now, so that you will have adequate time to complete what is necessary.*

The Health Center prefers that all new and updated medical forms are either faxed to 315-655-4724 or emailed digitally to Kathleen Coombs at kjcoombs@cazenovia.edu.

If you do not have access to e-mail or fax, please mail documentation to:

*Cazenovia College Health Services
Attn: Kathleen Coombs
10 Seminary St.
Cazenovia, NY 13035*

Upon mailing the documents, please call the Health Center at (315) 655-7122 so that we may note their anticipated arrival in our files.
