

## **Insurance Information: Campus Plan and Opting Out**

Because New York State requires that students attending college have active health insurance coverage, Cazenovia College offers a student plan that is administered through Gallagher Student Health Insurance. **The annual rate (August 2020-August 2021) is \$2,319.00.** *Please note that this amount is automatically added to your charges, and will appear on your bill.*

### **Opting Out of the College Insurance:**

If you already have insurance coverage that meets the requirements for college attendance, you may waive the cost of our College insurance by visiting:
