

# PHOTOGRAPHY

The **Photography** program is professionally geared to prepare the next generation of photographic image makers with knowledge of and experience in photographic techniques and concepts. Through a studio-based curriculum enhanced by studies in the liberal arts, students explore all forms of lens-based media including digital and film photography and video. Graduates of the program are prepared for careers in commercial photography, photojournalism, fine art photography and for graduate school.

Named One of  
**"America's Best Colleges"** by U.S.  
News & World Report

Cazenovia College is an independent, coeducational college, located in Cazenovia, New York, offering baccalaureate programs in the liberal arts and professional studies.

Embracing student success as its primary mission, Cazenovia College comprises a diverse, yet close-knit residential community that creates educational experiences that are individualized for students, matching skill sets with academic programs and co-curricular offerings.

This "one student at a time" approach to the educational experience is what sets Cazenovia apart from other colleges and universities.
