

EQUINE BUSINESS MANAGEMENT

The Bachelor of Professional Studies degree in Management with a specialization in **Equine Business Management** is designed for students interested in the organizational, management, and commercial aspects of the equine industry, as well as students interested in advanced horse care, breeding and stable management. The business and equine courses provide students with the skills necessary to pursue either a hands-on or support position in the equine industry. This program is fully accredited through the International Accreditation Council for Business Education.

Named One of
"America's Best Colleges" by U.S.
News & World Report

Cazenovia College is an independent, coeducational college, located in Cazenovia, New York, offering baccalaureate programs in the liberal arts and professional studies.

Embracing student success as its primary mission, Cazenovia College comprises a diverse, yet close-knit residential community that creates educational experiences that are individualized for students, matching skill sets with academic programs and co-curricular offerings.

This "one student at a time" approach to the educational experience is what sets Cazenovia apart from other colleges and universities.

SPECIAL FEATURES

The College's 240-acre Equine Education Center is home to the Equine Business Management specialization and Intercollegiate Riding Team. It houses a herd of 70 horses, including Thoroughbreds, Warmbloods and Quarter Horses, as well as numerous other breeds. The large heated indoor arena, multiple outdoor riding areas, and turn-out paddocks provide ample space for the various activities that students pursue. The facility offers a premier educational environment that features a network-wired classroom.

Cazenovia College has a long history of success at intercollegiate and rated competitions. Competitions are organized for Hunter Seat, Western and Dressage riders at different proficiency levels. Everyone, from the least to the most experienced rider, has an opportunity to compete and excel.
