

The Bachelor of Arts degree in **English** encourages students' intellectual, social and ethical growth through the critical examination of literature, drama, film, popular culture and communication. In addition to helping students develop specific skills associated with the discipline – written and spoken communication, literary appreciation, cultural studies, and analytical thinking – graduates of the program develop a solid foundation for graduate study in English, English education, journalism, law and other disciplines requiring strong critical thinking skills and talent in spoken and written communication.

## Named One of “America’s Best Colleges” by U.S. News & World Report

Cazenovia College is an independent, coeducational college, located in Cazenovia, New York, offering baccalaureate programs in the liberal arts and professional studies.

Embracing student success as its primary mission, Cazenovia College comprises a diverse, yet close-knit residential community that creates educational experiences that are individualized for students, matching skill sets with academic programs and co-curricular offerings.

This “one student at a time” approach to the educational experience is what sets Cazenovia apart from other colleges and universities.

## MINOR IN ENGLISH

A minor in English is an excellent option for those who have enjoyed the subject and wish to extend their literary studies. In addition, a minor in English can have a positive impact on the job search since the critical thinking and writing skills associated with courses in English have long been recognized as essential by business leaders, policy makers and the general public.
