

The **Human Services** field has multiple facets and those with degrees in Human Services will have opportunities to assist children, adolescents and adults in a variety of settings such as mental health, substance use disorder, elder care, corrections, government social services and health care. The Bachelor of Science (BS) degree in Human Services at Cazenovia College offers students a choice of specializations: Counseling and Mental Health, Substance Use Disorder, Children & Youth and Generalist. Our graduates are prepared to succeed in the Human Services profession, helping those in need and making a difference in their communities.

Named One of
**"America's Best
Colleges"** by U.S.
News & World Report

Cazenovia College is an independent, coeducational college, located in Cazenovia, New York, offering baccalaureate programs in the liberal arts and professional studies.

Embracing student success as its primary mission, Cazenovia College comprises a diverse, yet close-knit residential community that creates educational experiences that are individualized for students, matching skill sets with academic programs and co-curricular offerings.

This "one student at a time" approach to the educational experience is what sets Cazenovia apart from other colleges and universities.
