

HISTORY & SOCIAL SCIENCE DUAL MAJOR

CAZENOVIA COLLEGE

The Dual Major in **History** and **Social Science** is designed to provide students with all the opportunities and rigors of both majors while still graduating in four years. All the courses are drawn from the regular curriculum in history, economics, and political science providing a major that will prepare students for a wide range of careers or advanced study. The program is designed so that students can minor in areas of their choosing and select electives that will help prepare them for their future endeavors including graduate school in social science, history, law, or teaching.

Named One of
**“America’s Best
Colleges”** by U.S.
News & World Report

Cazenovia College is an independent, coeducational college, located in Cazenovia, New York, offering baccalaureate programs in the liberal arts and professional studies.

Embracing student success as its primary mission, Cazenovia College comprises a diverse, yet close-knit residential community that creates educational experiences that are individualized for students, matching skill sets with academic programs and co-curricular offerings.

This “one student at a time” approach to the educational experience is what sets Cazenovia apart from other colleges and universities.

HISTORY & SOCIAL SCIENCE DUAL MAJOR

CAREER POSSIBILITIES

Dual majors in History and Social Science gain a greater range of employment opportunities than they would have with only one major. They will be employable in virtually every field of endeavor. You will find both history and social science students working in business, communication, publishing, and research settings – all of which are available to the Cazenovia College history and social science dual major student through internship opportunities. Students can also go on to gain their certification in Secondary History/Social Studies, and to law school, planning for these opportunities through minors and work with academic advisors.

SAMPLE COURSEWORK

Sociology
Anthropology
Economics
Government and Politics
American and Regional History
Philosophy of History
